If your project includes work that will require you or your contractor to obstruct a city sidewalk, city street or Right of Way to perform the work (painting, stucco, re-siding, awnings, signs, etc.) an obstruction permit will be required. Obstruction permits are required to ensure proper safety precautions are used to protect the public.

Obstruction permits from the City of Walker will be reviewed by the Public Works Director, and you will be advised as to the type of safety warning and barrier devices that will be needed for your project.

The obstruction permit application is attached on the following pages. Please read the instructions completely and include the required diagram in your application.

You can submit your obstruction permit application by the following:

Email: walkerpw@arvig.net

Mail: City of Walker
PO Box 207
Walker, MN 56484

Drop off: Walker City Hall
205 Minnesota Avenue W
Walker, MN 56484

*Please make checks payable to The City of Walker. Cash or check is an acceptable form of payment.

PROPERTY ABUTTING MINNESOTA AVENUE

If your property abuts Minnesota State Highway 371, the sidewalk may be in the Minnesota Department of Transportation (MnDOT) right-of-way. You will need to complete an application to MnDOT to obstruct the sidewalk that is in their right-of-way while doing your construction work.

You will need the subsequent form;

[MnDot TP-1723: Minnesota Department of Transportation Application for Installation of Utilities or Miscellaneous Work on Trunk Highway Right of Way \(Short Form\)](#)

The MnDOT contact for your application is:

Thomas D. Johnson (218) 755-6578 thomas.d.johnson@state.mn.us

Please read the instructions completely and include the required diagram in your application.
