Mayor Walhof opened the Public Hearing at 6:45 p.m., to receive comments and concerns pertaining to the proposed assessments for the following paving project. Property's proposed to be assessed include the Alley between Birchwood Ave West and Park Ave West and Fourth Street & Fifth Street South. The amount of the proposed assessments is \$13,020.00. A reasonable estimate of the impact of assessment is available.

Dave Olson, property owner questioned why the property owners weren't notified the when the paving was going to take place, as there were no aprons put into the property and he would have liked to see that. He also questioned paying by footage owned. He stated that all the property owners on Fourth Street have double lots while all the property owners on Fifth Street have single lots and he would have liked to see it split equally among the property owners.

They're being no other comments the Mayor adjourned the Public Hearing.
