All Foundations will be flush with the ground and extend 5" around the base of the monument and be at least 4" thick.

Please note that before placement of the monument your staff must contact us to mark the gravesite. Marking the sites will not be able to happen until the frost and snow are out of the Cemetery.

The City Council has adopted a new fee schedule that includes a locate/mark site fee of \$30.00. This fee must be paid prior to placement. Please let me know if you have any questions.
